Insuring that your pet remains safe and well cared for is our first responsibility, and as such we take it very seriously. We do our best to have our per parents screen for pre-existing health conditions, but some factors may be beyond our control. In the event that a medical emergency arises while a pet is at our facility or participating in a service that we provide, it is imperatives that we are immediately able to get them medical treatment at the closest available facility. We will call ahead to veterinary offices in the closest proximity geographically to us to insure that they can handle the emergency present. Your pet will be rushed to the closest available facility and you will be notified. We notify the owner after we have secured a medical treatment center for the animal to avoid delays that may be caused by emotion on the part of the owner. Our goal is to get your pet medical attention as quickly as humanly possible, and any distractions may interfere with that process.

For that reason it is a requirement to have our pet parents sign this form.
